New Horizons Youth Ranch is able to provide its services at a cost lower than most programs of this type. The following explains our Enrollment, Financial, and Insurance Policy.

Enrollment and Financial Arrangements:

Expenses: Resident clothing needs are provided by their family. All residents travel expenses to and from the Ranch must be covered by the family.

Insurance: All residents must be covered by dental, medical, & optical coverage.

All insurance coverage's are the responsibility of parents. Some insurance plans will cover the counseling portion of treatment. Please check with your insurance company before enrollment. Counseling is billable at \$100 per hour.

Payment: Payment is due and payable at the first of each month and becomes delinquent when not received by the 20th. Each day that a payment is delinquent is charged an additional \$25.00. Accounts that are delinquent for more than 60 days will be grounds for releasing your son from the program.

If financial difficulties occur please communicate this situation to the Program Director Tom Harrell as soon as possible. .

Incidental Fee: Spending money for residents must also be provided by the family.

Its use will be regulated. Since the resident will have little opportunity to spend, his account needs to contain no more than \$150.00 at a time.

Program: \$2,550 per month tuition for 12 months (First and last) Partial month upon admittance will be prorated.

Admissions & Parent Workshop: \$1,000 (payable prior to student arrival. Covers 3 parent workshops per year. Does not include meals, lodging, and travel. This is non-refundable). Additional Parent Workshops after the initial 3 are \$250.00

Therapy: \$500 per month
